

BCBU Law working group final communique

03.11.2009

Petrozavodsk, Russia

BCBU Law working group decides:

1. To work towards the establishment of the master program in the sphere constitutional and municipal law, along with the study of the possibility of co-participation in the program maintenance by Russian partner institutions.
2. To prepare the request for the corresponding Russian governmental bodies to support the joint elaboration of the master programs in Russia.
3. To develop educational modules in English for use in academic programs within BCBU, licensed in Russia and Finland respectively.
4. To work towards the formation of the joint Russian-Finnish PhD and doctoral theses preparation and defense network.
