

# INTERNATIONAL MASTER PROGRAMME DEVELOPMENT

Northern State Medical University  
Arkhangelsk  
Prof. A. Vyazmin

## Arkhangelsk International School of Public Health

# The ISPHA Network

- NSMU, Arkhangelsk
- University of Tromsø
- Nordic school of public health
- Umeå university
- Mid-Sweden university
- Tampere university
- National institute of PH, Oslo

## Master program in Public Health<sup>1</sup>

- developed in accordance with international standards for a two-year MPH programme (120 ECTS) and the guidelines for a common educational platform in Europe, as described in the Bologna Declaration

# Main focus

## Master program in Public Health

- Provided since: January 2007
- First MPH graduates: June 2009 (12)
- Duration of studies: 2-4 years
- Number of students: up to 30 per year
- Language: English/Russian

# Target groups and requirements

- Personnel from:
  - health care work
  - disease prevention and health promotion
  - health science and education
  - health management and administration
- Minimum admission requirements are:
  - higher education (Bachelor or equivalent)
  - health-related education or a minimum of 2 years of practical experience within the health field
  - good knowledge of English language
  - being a resident of North-Western Russia

## Curriculum

- 7 Compulsory modules (60 ECTS)
- 13 Elective modules (30 ECTS)
- Master Thesis (30 ECTS)

# Module leaders and teachers

- modules are led by experienced teachers (and co-teachers) from the ISPHA network institutions
- more than 20 teachers from the network institutions are involved at ISPHA
- 11 lecturers from NSMU, incl. 4 professors
- training-the-trainers programme: 16 module trainees from NSMU

# Diploma and recognition

- Each graduate receives 2 MPH diplomas: diploma of NSMU and diploma of University of Tromsø (Norway)
- formal accreditation and licensing in Russia is the working task for 2010

# ISPHA Diploma

## Other challenges

- sustainability of ISPHA after the international project supporting it is over in 2011
- implementation of own PhD programme at ISPHA

The 29th  
Aspher  
Annual  
Conference

07:
